# MULTI-PURPOSE SCALES

**CE-M APPROVED scales  
for legal trade use**

## Weighing Scale MSW7

	Weighing Scale MSW7			
Capacity, kg	1,5 / 3	3 / 6	6 / 15	15 / 30
Readability approved, g	0,5 / 1	1 / 2	2 / 5	5 / 10
Platform size, mm	220 x 310			

### Functions:

- Piece counting
- Checkweighing
- Tare
- Auto zero tracking

### Technical features:

- Power supply: AC-adapter / rechargeable battery
- Easy to read large LCD display and large buttons
- Stainless steel platform
- Robust construction for portable use

## Weighing Scale MSW22

	Weighing Scale MSW22	
Capacity, kg	6 / 15	15 / 30
Readability approved, g	2 / 5	5 / 10
Platform size, mm	220 x 310	

### Functions:

- Piece counting
- Checkweighing
- Tare
- Pre-Tare
- Auto zero tracking

### Technical features:

- Power supply: AC-adapter / rechargeable battery
- Easy to read large LCD display and large buttons
- Stainless steel platform
- Robust construction for portable use

## Bench Weighing Scales

	Bench Weighing Scales		
	MSI7 - 150	MSI7 - 300	MSI7 - 600
Capacity, kg	60 / 150	150 / 300	300 / 600
Readability approved, g	20 / 50	50 / 100	100 / 200
Platform size, mm	400 x 500	500 x 600	600 x 800

### Functions:

- Piece counting
- Checkweighing
- Tare
- Auto zero tracking

### Technical features:

- Power supply: AC-adaptor / rechargeable battery
- Easy to read large LCD display and large buttons
- Stainless steel platform
- Robust construction for portable use

## Price Computing Scale MSP20

	Price computing Scale MSP20	
Capacity, kg	6 / 15	15 / 30
Readability approved, g	2 / 5	5 / 10
Platform size, mm	220 x 310	

### Functions:

- Price computing
- Dual display - operator side and customer side
- Tare
- Auto zero tracking

### Technical features:

- Power supply: AC-adaptor / rechargeable battery
- Easy to read large LCD display and large buttons
- Stainless steel platform
- Robust construction for portable use
